 office 4122: _____

Measures and technical features

Length: 24.00 m
 Width: 12.20 m
 Surface area: 295 sqm
 High to grid: 5.25 m
 Curtain rail (H/L): 5.20 m x 64.50 m
 Passageway: 1.00 m
 Gate 1 (H/W): 3.90 m x 2.90 m

Light: 96 * 2.5 KW dimmer
 384 * 5 KW dimmer

Due to our technical production network studio 4 could be operated with our web tv direction, our HD directions 1 & 6 or our OB truck nobeo1.

In addition, every direction benefits from direct access to our postproduction unit, allowing us to process an efficient tapeless workflow.

Web TV studio

More than 8 side and guest rooms, production offices in the building

1 make-up room and additional mobile make-up facilities

Large parking facilities for team and viewers in close proximity
