## Measures and technical features

Lenght: 26.10 m  
 Width: 26.30 m  
 Surface area: 685 sqm  
 High to flybars: 7.05 m  
 Curtain rail (H/L): 6.75 m x 88.00 m  
 Passageway: 1.75 m  
 Gate 1 (H/W): 4.50 m x 4.00 m  
 Gate 2 (H/W): 4.50 m x 4.00 m

Light: 96 \* 2.5 KW dimmer  
 384 \* 5 KW dimmer  
 86 Desisti flybars  
 with Ethernet DMX wiring

Due to our technical production network studio 6 could be operated with our HD directions 1 & 6 or our OB truck nobeo1. In addition, every direction benefits from direct access to our postproduction unit, allowing us to process an efficient tapeless workflow.

Front hall (108 sqm) with large exterior gate  
 Foyer (170 sqm) with ample sanitary installations, wardrobes etc.

More than 11 side and guest rooms, production offices in the building

2 make-up rooms and additional mobile make-up facilities

Large parking facilities for the team and viewers in close proximity
